SÍlido and wood blind curtains work well in these rooms because they do not reduce the rest of the decoration. decoration. Simple shades and blinds carry the streamlined look throughout the room. Solid color curtains may provide an interesting contrast to the rest of the room and add a touch of softness. On the other end of the decorating spectrum, cottage style has a casual, cozy feel. Shutters add architectural detail that contrasts beautifully with casual furnishings. Sheer curtains over the windows enhance the light and airy ambience of the room, especially if you live in an area with plenty of outdoor breezes. MORE FROM SMARTER.COM SMARTER.COM
